Letter from the Field Office Director...

This book is designed to make it easier for you to apply for HUD-associated housing, be it subsidized or market rate. Originally, this book was designed solely for that purpose. However, over time we have found that people often need additional information. Accordingly, you will see a list of homeless shelters, transitional housing, and agencies that may be able to help you find housing included in the book. Also, you may wish to call 211 or access their website at <http://www.211ct.org/default.asp>, to access their web database of all affordable housing in the state. In addition, the State of Connecticut has a website of housing opportunities state-wide which can be found online at <http://www.chousingsearch.org/>.

HUD also receives calls from individuals in crisis, who have been burned out, evicted, or are otherwise in need of immediate shelter. Individuals whose houses are not habitable, due to fire or flood, need to contact emergency personnel for advice. We have found that the Red Cross can often house people in these situations. Other groups that sometimes offer shelter include the Salvation Army. Persons subject to domestic violence can call the statewide Domestic Violence Hotline at 1-888-774-2900 and the police if they are subject to imminent or actual violence. Some of the homeless shelters and supportive housing cited in the back of this book are designed solely for those subject to domestic violence. Many towns also offer overflow shelters, if regular shelters fill. Larger cities in the state also may have Single Room Occupancy housing, such as a YMCA.

Homeless persons should contact the homeless shelters cited in the back of this book. Persons under 18, in need of shelter, should contact the statewide Domestic Violence Hotline at 1-888-774-2900 and local youth shelters. If there is no shelter cited in your town, you could call 211, or Town Hall, in your town, to locate shelter.

We have also found that using personal contacts can be a way to find units that are not advertised. If you can enter into a network of people who are aware of such units, perhaps through churches, or other social welfare organizations, you may be able to find shelter. Sometimes churches also run small shelters, which may not be listed in formal directories. Sometimes organizations will offer shelter in exchange for work.

Housing issues can be complex. Sometimes the answers aren't easy. We have prepared this resource as a guide to assist you in your search and would appreciate suggestions for improvements to this book. The Department is very interested in working with organizations to expand the supply of affordable housing, and would welcome calls from such groups interested in the HUD's programs by contacting Ms. Rodriguez, at (860) 240-9700.

Sincerely,

Suzanne C. Piacentini
Field Office Director

How to Use the Guidebook

How Do I Use The Rental Housing Directory To Find Housing?

1. **Look up the town** where you want an apartment.

In the directory each property is classified as:

- **DIL** (Disabled Independent Living). A project consisting of separate units where each dwelling unit includes a kitchen and a bath. These units are for people with disabilities.
- **ELD** (Elderly) or **DIS** (Disabled). Apartments for persons or families where at least one person is 62 years old or older. In some cases, they are also available for handicapped and/or disabled persons.
- **E/F** (Elderly/Family). Some apartments are reserved exclusively for elderly households as defined above.
- **FAM** (Family). Apartments for families with no general restrictions on the type of household that can be admitted.
- **GRP** (Group home). Apartments for supervised group living. If you believe you qualify, speak with the project manager about any special restrictions.
- **E/A** (Elderly/Assisted Living Facilities). Elderly Properties with some assisted living units.

If no one in your family is elderly, handicapped, or disabled, apply at **FAM** or **E/F** properties.

Be advised that there may be long waiting lists at many properties, so you'll want to apply to as many places as you can.

2. **Call the property agent** to ask about vacancies, eligibility, rents, and application procedures.

How Do I Qualify?

Property agents accept applications if the applicant can pay the rent and meet other requirements, e.g. have a reasonable credit history, as listed in their tenant selection policy which is available upon request to any applicant.

Apartments may have a rent subsidy to keep rents lower; the property agent can tell you if there is one.

Apartments with rent subsidy have additional requirements. If the right size unit is available, applicant(s) must:

- (1) have an income at or below the maximum established income limit for the area (on page 69),
- (2) document income information; and,
- (3) agree to pay the established rent.

How Do I Apply?

HUD does NOT manage this housing, nor does it take applications for housing.

Apply with the property agent at the telephone number or the property address listed in the directory. The property agent will tell you about vacancies, rents, and subsidies. Remember, the HUD office does **NOT** have or accept applications for housing, rental assistance, or Section 8 vouchers.

What If There Are No Vacancies In The Apartment I Need?

Ask the property agent to put your name on the waiting list. There may be additional priorities; please inquire from the property agent if you think you may qualify for a priority. The property agent should have the priorities in writing for you to read.

Renter's Kit

Where to Begin

Looking for an apartment? It can be both exciting - and frustrating! But if you approach the whole process systematically and if you know your rights, apartment hunting doesn't have to be a hassle. Read through this Renter's Kit before you begin.

Before You Start Looking...

Know your rights and responsibilities: Federal law prohibits housing discrimination based on your race, color, national origin, religion, sex, family status, or disability. If you have been trying to rent a home or apartment and you believe your rights have been violated, you can file a fair housing complaint (on page 56). When you live in an apartment, you have both rights and responsibilities. Be sure you know what's expected of you - and what you can expect in return.

Figure out how much you can afford: Some experts recommend that you budget 25-30% of your income on housing.

Figure out what you need: It's a good idea to think through what you need in an apartment BEFORE you begin shopping. How many bedrooms do you need? Do you need to be close to schools? Do you need parking? Make a list before you begin...that will help you narrow down your search.

Housing Counseling

HUD funds housing counseling agencies throughout the country that can give you advice on buying, renting, defaults and foreclosures, and reverse mortgages. Just contact the **housing counseling agency** closest to you or call toll-free 1-800-569-4287.

Federal Financial Assistance

Waiting lists: Each housing authority or property agent has its own system for accepting applications for the rental units they administer. In some cases, there are waiting lists; and sometimes those waiting lists can be very long. But contact the housing authority or management agency to find out. The sooner you apply, the sooner you can get help.

Public housing is low-income housing, operated by your local housing authority (on page 67).

The **Housing Choice Voucher Program (Section 8)** allows you to find your own place to rent, using the voucher to pay for all or part of the rent. To apply contact your local housing authority (on page 67).

Privately owned subsidized housing: The government provides subsidies directly to the owner who then applies those subsidies to the rents he/she charges low-income tenants. There are privately owned subsidized housing units for senior citizens and people with disabilities, as well as for families and individuals. To apply visit the management office for the site(s) that interest you.

Renter's Insurance

You may want to protect your belongings by buying renter's insurance.

Rent Your Home

People who receive Section 8 vouchers find their own rental housing and use the vouchers they receive from their housing agency to help pay the rent. Basically, the voucher means that the Federal Government will pay a specific amount of the rent. If you own a home that you would like to rent to Section 8 tenants, contact your **local public housing agency** to find out how (on page 67).

VA CT Homeless Services Program

Overview of Homelessness in the CT Veteran Population

There are 362,000 Veterans living in Connecticut, 56,000 receive services through VA CT Healthcare System (VA CT). On any given day across the State, as many as 800 Veterans are homeless, reside in shelters, or in dismal living conditions or in overcrowded or substandard housing. These Veterans suffer from mental illness and substance disorders. As a result of the financial crisis, additional Veterans and their families are facing eviction and foreclosure resulting in homeless risk and vulnerability.

The VA CT Homeless Program identified 1,050 homeless or at risk Veterans through-out CT in 2013 with a projected increase in 2014. Most homeless Veterans in Connecticut, as across the nation, are male with an estimate of 6% being women. The vast majority are single men aged 45-65. Minority representation is roughly 50%.

Healthcare for Homeless Veterans

VA Connecticut's Healthcare for Homeless Veterans (HCHV) Program encompasses an array of services and service links for Veterans who are homeless, at risk of homelessness, under housed, or economically challenged. These services range from emergency shelter housing to permanent supportive housing and HUD-VASH rental housing vouchers with clinical case management. The hallmark of these services is individually designed, intensive case management that allows the VA Homeless team to support our Veterans to meet not only their immediate housing needs, but also to pursue transitional and permanent housing hopes and dreams.

The VA CT Homeless Program is made available to all VA-eligible Veterans, primarily through walk-in, National Call Center, or direct referral. Homeless program staff outreach and engage Veterans who, if not currently engaged in VA services, can gain access to the full array of services offered by the VA Connecticut. The Homeless team staff provides intensive case management as well as supports for needy Veterans seeking basic needs, emergency shelter beds, transitional housing, and long range permanent housing.

HCHV Program Eligibility:

In general, Veterans who have an honorable or general discharge from the military meet the minimum active duty requirements, and who are homeless or in need of stable housing are eligible for HCHV services. To gain access to HCHV services, Veterans must be:

1. Homeless or at risk of homelessness.
2. Assessed and evaluated through outreach and intake through a HOMES Assessment interview.
3. Meet income guidelines established by the Department of Veterans Affairs.

In the event a Veteran is ineligible, Homeless program staff will assist Veterans in accessing services through community shelter and housing providers.

Things You Should Know

Don't risk your chances to received Federal housing assistance by providing false, incomplete, or inaccurate information on your application forms.

Purpose

This is to inform you that there is certain information you must provide when applying for assisted housing. There are penalties that apply if you knowingly omit information or give false information.

Penalties for Committing Fraud

The United States Department of Housing and Urban Development (HUD) places a high priority on preventing fraud. If your application or recertification forms contain false or incomplete information, you may be:

- Evicted from your apartment or house;
- Required to repay all overpaid rental assistance you received;
- Fined up to \$10,000;
- Imprisoned for up to 5 years; and/or
- Prohibited from receiving future assistance.

Your State and local governments may have other laws and penalties as well.

Asking Questions

When you meet with the person to fill out your application, you should know what is expected of you. If you do not understand something, ask for clarification. That person can answer your question or find out what the answer is.

Completing the Application

When you answer application questions, you must include the following information:

Income

- All sources of money you or any member of your household receives (wages, welfare payments, alimony, social security, pension, etc.);
- Any money you receive on behalf of your children (child support, social security for children, etc.);
- Income from assets (interest from a savings account, credit union, or certificate of deposit, dividends from stock, etc.);
- Earnings from second job or part time job;
- Any anticipated income (such as a bonus or pay raise you expect to receive).

Assets

- All bank accounts, savings bonds, certificates of deposit, stocks, real estate, etc. that are owned by you and any adult member of your family's household who will be living with you.
- Any business or asset you sold in the last 2 years for less than its full value, such as your home to your children.
- The names of all of the people (adults and children) who will actually be living with you, whether or not they are related to you.

Signing the Application

- Do not sign any form unless you have read it, understand it, and are sure everything is complete and accurate.
- When you sign the application and certification forms, you are claiming that they are complete to the best of your knowledge and belief. You are committing fraud if you sign a form knowing that it contains false or misleading information.
- Information you provide on your application will be verified by your housing agency. In addition, HUD may do computer matches of the income you report with various Federal, State, or private agencies to verify that it is correct.

Recertification

- You must provide updated information at least once a year. Some programs require that you report any changes in income or family/household composition immediately. Be sure to ask when you must recertify and what you must report on recertification forms.
- All income changes, such as increases of pay and/or benefits, change or loss of job and/or benefits, etc., for all household members.
- Any move in or out of a household member; and,
- All assets that you or your household members own and any assets that were sold in the last two years.

Beware of Fraud - You should be aware of the following fraud schemes:

- Do not pay any money to file an application;
- Do not pay any money to move up on the waiting list;
- Do not pay for anything not covered by your lease;
- Get a receipt for any money you pay; and,
- Get a written explanation if you are required to pay for anything other than rent (such as maintenance charges).

Reporting Abuse

If you are aware of anyone who has falsified an application, or if anyone tries to persuade you to make false statements, report them to the manager of your complex or your Public Housing Authority (PHA). If that is not possible, then call the local HUD office or the HUD Office of Inspector General (OIG) Hotline at 1-800-347-3735. You can also write to: HUD-OIG HOTLINE, (GFI) 451 Seventh Street, S.W., Washington, DC. 20410.

Section 8 Waiting List Web Site

How do I get on a Section 8 waiting list?

The number of Section 8 vouchers is limited by federal funding. They are obtained by applying to housing authorities or the Department of Housing. All of these sources, however, have waiting lists, many of which are quite long. Most of the time, the waiting lists are "closed," that is, they do not accept new applicants. Occasionally, however, a housing authority will open its waiting list, usually for a fixed period of time, to accept new applications. Such openings are usually for a month or less and sometimes for as little as a single day. By state law, housing authorities must give at least two weeks' advance notice before a waiting list is opened. It is important to be aware of these notices and also to carefully follow each housing authority's directions for submitting an application.

The State of Connecticut Department of Housing now has a web site, which lists all open Section 8 waiting lists in Connecticut. <http://www.cthcvp.org/>

You can use this web site to locate open Housing Choice Voucher waiting lists throughout Connecticut.

- You can also register to receive automatic notice of the opening of Housing Choice Voucher waiting lists whenever they occur.
- Section 8 is the former and very commonly used name for a federally-funded rent subsidy program that is now called the Housing Choice Voucher Program.
- The Section 8 program, which is generally administered by local housing authorities, provides rent vouchers to eligible households.
- Voucher holders find their own apartments and negotiate their own rents and leases with landlords.
- The landlord then signs an agreement with the housing authority that is administering the voucher. Each month voucher holders pay their share of the rent (usually 30% of income) to the landlord, and the housing authority pays the balance of the rent directly to the landlord.

Who is eligible to apply for a Section 8 voucher?

To be eligible for a Section 8 voucher, a household's income must usually be less than 50% of the median income in the area, based on family size. The exact limits vary from area to area. There are also special categories of applicants for whom the income limit may be higher. Check with the housing authority to which you are applying to find out what its income limits are.

Is there a single statewide Section 8 waiting list?

No, you must apply separately to each housing authority.

How many waiting lists can I apply to?

You can apply to as many as you want. You do not have to live in the town in order to apply to a local housing authority's waiting list.

If I get a Section 8 voucher in a particular town, do I have to move there?

Section 8 vouchers are "portable," which means that you can use them anywhere in Connecticut. In fact, you can use them anywhere in the United States. Local housing authorities, however, are allowed to put some limits on the portability of vouchers. The most important limit is that, if you get a voucher from a town in which you are not presently living, the housing authority has the power to require you to use your voucher only in that town for the first year that you have the voucher (after that you can move anywhere). Not all towns, however, impose this requirement. To find out if there is such a requirement, you must contact the local housing authority.

Can the landlord refuse to rent to me because I am using a Section 8 voucher?

No. Connecticut law prohibits discrimination based on "source of income." The law applies to all housing except owner-occupied two-family buildings. If the rent for the apartment is within Section 8 limits, you cannot be rejected because you will be paying with a Section 8 voucher. A landlord can, however, require you to provide the same application information as is required for other applicants, and you can be rejected for reasons (e.g., bad references from prior landlords) that are uniformly applied to all applicants and are unrelated to Section 8 participation.

If you believe that you are the victim of housing discrimination, you can contact the State Commission on Human Rights and Opportunities at

<http://www.state.ct.us/chro/metapages/legalprot/houselink/Hunfairly.htm>

Are there any other sources of rent subsidy?

The State of Connecticut runs its own state-funded rent program called the Rental Assistance Program (also known as "RAP") through the Department of Housing (DOH) and is administered statewide by DOH and its agent, J. D'Amelia & Associates (JDA). Although the waiting list posting law applies only to the Section 8 program, it is anticipated that any opening of the RAP waiting list will also be posted on their web site at **<http://www.ct.gov/doh/cwp/view.asp?a=4513&Q=530584>**. JDA can be contacted at (203) 757-1138.

What about help in getting a security deposit?

State of Connecticut - Department of Housing

Security Deposit Guarantee Program

What is the Security Deposit Guarantee Program?

For eligible households, the Security Deposit Guarantee Program provides a guarantee to landlords of up to two month's rent instead of an actual payment.

Who can apply for the Security Deposit Guarantee Program?

Three groups of income-eligible individuals/families can apply.

1. Shelter Program Resident

Individuals/families residing in emergency shelters (including domestic violence shelters) who meet all other eligibility requirements.

2. New Housing Voucher/Certificate Holder

Individuals/families holding a newly issued CT DOH Section 8 Housing Voucher or a newly issued CT DOH Rental Assistance Program (RAP) Certificate who meet all other eligibility requirements.

3. Housing Voucher/Certificate Holder Subject to Involuntary Move

A holder of a CT DOH issued Section 8 Housing Voucher or CT DOH issued RAP Certificate forced to move due to lead paint or whose residence failed a housing quality standards inspection when that failure was the owner's responsibility and the owner refused to correct the conditions, who meet all other eligibility requirements.

How & where Does a household apply for the Security Deposit Guarantee Program?

Individuals/families deemed eligible will be referred directly to DOH staff by Shelter staff or the state contractor who issued the Section 8 Voucher or RAP Certificate. DOH staff will set up an appointment for the applicant to come in and complete the application process. No walk-in applications will take place.

What are the income eligibility requirements for the Security Deposit Guarantee Program?

To be eligible for the program, an applicant must meet one of the following conditions:

1. the applicant is a current recipient of one of the following DSS programs: Temporary Family Assistance (TFA), Medicaid for Low Income Adults (LIA, formerly SAGA), Refugee Assistance, Aid to the Aged, Blind or Disabled (AABD), SNAP, or Medicaid (T-19), or
2. the annual gross income of the applicant household does not exceed 150% of the Federal Poverty Income Guidelines (see shelter staff or issuer of housing voucher/certificate for specific details).

How are benefits paid?

There is a signed agreement with the landlord that DOH will guarantee payment of the agreed-upon security deposit, in part or in whole, if the tenant moves out of the apartment and there is any damage caused by the tenant which requires repair, or if the tenant owes back rent. The landlord must submit a claim for payment within 45 days after the tenant moves out of the unit.

All landlords must complete a **State of Connecticut Agency Vendor Form** and **W-9 Form** in order to receive payment.

Carta de la Directora de la Oficina...

Este libro está diseñado para que sea más fácil para que usted pueda solicitar vivienda asociada con HUD, ya sea subsidiado o tasa de mercado. Originalmente, este libro fue diseñado exclusivamente para ese propósito. Sin embargo, con el tiempo hemos encontrado que las personas necesitan información adicional. En consecuencia, usted verá una lista de agencias que pueden ser capaces de ayudarle a encontrar viviendas incluidas en el libro, vivienda transitoria y refugios sin hogar. Además, pueden llamar al 211 o acceder a su sitio web en <http://www.211ct.org/default.asp>, para acceder a su base de datos web de todas las viviendas asequibles en el estado. Además, el estado de Connecticut tiene un sitio web de vivienda oportunidades todo el estado que se pueden encontrar en línea en <http://www.cthousingsearch.org/>.

HUD también recibe llamadas de individuos en crisis, que han perdido su vivienda debido a un fuego, desahucio, o que de otra manera necesitan vivienda inmediatamente. Individuos cuyas casas no son habitables, quemadas o inundadas, necesitan comunicarse con las personas de emergencia para consejo. Hemos encontrado que la Cruz Roja puede ayudar en estas situaciones. Otros grupos que ofrecen vivienda incluyen el Salvation Army. Personas que son víctimas de violencia doméstica deben llamar la agencia de Violencia en el Hogar a 1-888-774-2900 y también a la policía. Algunos de los recursos citados en la parte posterior de este libro son exclusivamente para víctimas de violencia doméstica. Muchas ciudades también ofrecen vivienda, si los refugios regulares se llenan. Ciudades más grandes en el estado tienen vivienda de un sólo cuarto, tal como en YMCA.

Las personas sin hogar deben llamar a los refugios citados en la parte posterior del este libro. Las personas menores de 18 años necesitando vivienda, deben llamar el teléfono directo de la Violencia en el Hogar al 1-888-774-2900 o vivienda locales de juventud. Si no hay vivienda citada en su ciudad, usted podría llamar 211 para localizar vivienda.

También hemos encontrado que usando contactos personales puede ser una manera de encontrar unidades que no se publican. Si usted conoce gente que es consciente de tales unidades, quizás con iglesias u otras organizaciones de asistencia social, usted puede encontrar vivienda. Las iglesias también funcionan con los pequeños refugios, que no se pueden enumerar en directorios formales. A veces, las organizaciones ofrecen vivienda a cambio de trabajo.

Las respuestas no son fáciles. Hemos preparado este recurso con mucha información, y damos la bienvenida a sugerencias para mejorar este libro. El departamento está muy interesado en trabajar con organizaciones para ampliar la fuente de vivienda a precios razonables y acogería llamadas de grupos interesados en los programas de HUD. Por favor llame la Sra. Rodríguez al 860-240-9700.

Alquiler Manual Del Arrendatario

Dónde Comenzar

¿Está buscando un apartamento? ¡Puede ser divertido, y frustrante! Pero si aborda todo el proceso en forma sistemática y conoce sus derechos, buscar un apartamento no tiene por qué ser un problema. Lea este Manual del arrendatario antes de empezar.

Antes De Empezar A Buscar...

Conozca sus derechos y responsabilidades: Las leyes federales prohíben la discriminación en materia de vivienda basada en raza, color, nacionalidad, religión, sexo, estado civil o discapacidad. Si ha estado intentando alquilar una casa o apartamento y cree que sus derechos han sido violados, puede presentar una queja por discriminación en la equidad de vivienda (en la página 56). Cuando usted vive en un apartamento, tiene derechos y obligaciones. Asegúrese de averiguar qué se espera de usted, y qué puede esperar a cambio.

Calcule cuánto puede pagar: algunos expertos recomiendan que destine un 25-30% de sus ingresos para la vivienda.

Piense qué necesita: Es una buena idea pensar qué apartamento necesita ANTES de empezar a buscar. ¿Cuántos dormitorios necesita? ¿Necesita estar cerca de las escuelas? ¿Necesita estacionamiento? Haga una lista antes de empezar... esto lo ayudará a limitar la búsqueda.

Asesoría De Vivienda

HUD financia agencias de asesoría de vivienda por todo el país que pueden ofrecerle asesoría sobre compra, alquiler, cesación de pagos, ejecuciones hipotecarias e hipotecas revertidas. Simplemente comuníquese con la **agencia de asesoría de vivienda** más cercana o llame al número telefónico gratuito 1-800-569-4287.

Asistencia Financiera Federal

Listas de Espera: Cada autoridad de vivienda tiene su propio sistema de aceptación de solicitudes para los unidades de alquiler que administra. En algunos casos existen listas de espera, que a veces pueden ser muy extensas. Pero comuníquese con su autoridad de vivienda para averiguar. Cuanto antes presente la solicitud, más pronto podrá recibir ayuda.

Seguros Para Arrendatarios

Es posible que usted quiera proteger sus pertenencias comprando un seguro para arrendatarios.

Alquile Su Vivienda

Las personas que reciben vales de la Sección 8 encuentran su propia vivienda de alquiler y utilizan los vales que reciben de la agencia de vivienda para ayudar a pagar el alquiler. Básicamente, el vale significa que el gobierno federal pagará un monto específico del alquiler. Si usted es propietario de una vivienda que quiere alquilar a inquilinos de la Sección 8, comuníquese con su agencia de vivienda pública local para averiguar cómo hacerlo (en la página 67.)

Sitio Del Web De la Lista De la Sección 8

¿Cómo consigo un lugar en la lista de espera para sección 8?

El número de los vales de la sección 8 es limitado por el financiamiento federal. Son obtenidos por la aplicación a las autoridades de la vivienda o el departamento de servicios sociales. Todas estas fuentes, sin embargo, tienen listas que esperan, muchas de las cuales están absolutamente de largo. La mayoría del tiempo, las listas que esperan es "cerrado," es decir, ellos no acepta a nuevos aspirantes. De vez en cuando, sin embargo, una autoridad de la vivienda abrirá su lista de espera, generalmente por un período de la hora fijo, de aceptar nuevos usos. Tales aberturas están generalmente para un mes o menos y a veces para tan poco como un solo día. Por ley del estado, contener autoridades debe dar por lo menos la comunicación previa de dos semanas antes de que se abra una lista de espera. Es importante estar consciente a estos avisos y también seguir cuidadosamente las direcciones de cada autoridad de la vivienda para someter un uso.

El Estado del Departamento de Vivienda de Connecticut ahora tiene una página del web que enumere listas abierta para la sección 8 en Connecticut. <http://www.cthcvp.org/>

Usted puede utilizar esta página del web para localizar las listas que están abierta para la Section 8 en Connecticut.

- Que usted puede también colocarse para recibir el aviso automático de la abertura de las listas que esperan del vale bien escogido de la vivienda siempre que ocurran la sección 8 del
- Sean el nombre anterior para un programa federal-financiado del subsidio del alquiler que ahora se llame El Programa de Vales de Elección de Vivienda.
- El programa de la sección 8, que es administrado generalmente por autoridades locales de la vivienda, proporciona los vales del alquiler a las casas elegibles.
- Los sostenedores del vale del encuentran sus propios apartamentos y negocian sus propios alquileres y arriendos con los propietarios.
- El propietario entonces firma un acuerdo con la autoridad de la vivienda que está administrando el vale. Los sostenedores de cada vale del mes pagan su parte del alquiler (el generalmente 30% de renta) al propietario, y la autoridad de la vivienda paga el equilibrio del alquiler directamente al propietario.

¿Quién es elegible para solicitar un vale de la sección 8?

Para ser elegible para un vale de la sección 8, una renta de casa debe generalmente ser menos de el 50% de la renta mediana en el área, basado en tamaño de la familia. Los límites exactos varían de área al área. Hay también categorías especiales de los aspirantes para quienes el límite de la renta puede ser más alto. Compruebe con la autoridad de la vivienda a la cual usted se está aplicando descubre cuáles son sus límites de la renta.

¿Hay solos una lista de espera de la sección 8 estatales?

No, usted debe aplicar a cada autoridad de la vivienda.

¿Cuántas listas de espera puedo aplicarme?

Usted puede aplicar a todas las autoridad local que usted desea. Usted no tiene que vivir en la ciudad para aplicar a la lista de espera de una autoridad local de la vivienda.

¿Si consigo un vale de la sección 8 en una ciudad particular, tengo que moverme allí?

Los vales de la sección 8 son "portables," que significa que usted puede utilizarlo dondequiera en Connecticut. En hecho, usted puede utilizarlos dondequiera en los Estados Unidos. Las autoridades locales de la vivienda, sin embargo, se permiten poner algunos límites en la portabilidad de vales. El límite más importante es que, si usted consigue un vale de una ciudad en la cual usted no esté viviendo actualmente, la autoridad de la vivienda tiene la energía de requerirle utilizar su vale solamente en esa ciudad por el primer año que usted tiene el vale (después usted puede moverse dondequiera). No todas las ciudades, sin embargo, imponen este requisito. Para descubrir si hay tal requisito, usted debe entrar en contacto con la autoridad local de la vivienda.

¿Puede el propietario rechazar alquilarse a mí porque estoy utilizando un vale de la sección 8?

No. La ley de Connecticut prohíbe la discriminación basada en la "fuente de la renta." La ley se aplica a toda la vivienda excepto edificios ocupados por el dueño de la dos-familia. Si el alquiler para el apartamento está dentro de límites de la sección 8, usted no puede ser rechazado porque usted pagará con un vale de la sección 8. Un propietario puede, sin embargo, requerirle proporcionar la misma información del uso que se requiere para otros aspirantes, y usted puede ser rechazado por las razones (e.g., malas referencias de propietarios anteriores) que se aplican uniformemente a todos los aspirantes y están sin relación a la participación de la sección 8.

Si usted cree que usted es la víctima de la discriminación de vivienda, usted puede entrar en contacto con la Comisión del Estado en Derechos Humanos y Oportunidades en

<http://www.state.ct.us/chro/metapages/legalprot/houselink/Hunfairly.htm>

o el Centro Justo de la Vivienda de Connecticut en <http://ctfairhousing.org/>

¿Hay otras fuentes del subsidio del alquiler?

El Estado de Connecticut funciona con su propio programa del alquiler llamado el Programa de Ayuda de Alquiler (también conocido como "RAP") con el Departamento de los Servicios Sociales (DSS) y es administrado por J.D'Amelia & Asociados (JDA). Aunque la ley de la fijación de la lista de espera se aplique solamente al programa de la sección 8, se anticipa que cualquier abertura de la lista de espera del RAP también será fijada en la página del web <http://www.ct.gov/dss/cwp/view.asp?a=2353&q=305206>. Llame a JDA a (203) 757-1138 para aplicar para el programa de RAP.

Assistance For People With Disabilities / Ayuda Para La Personas Con Impedimentos

While we have not included a specific number of accessible units for each project listed, one can assume that approximately 10% of units in many HUD assisted projects are designed for persons who may qualify as mobility impaired. In addition, 100% of HUD assisted or insured multifamily units designed for occupancy after March 1991, should be adaptable to the needs of the mobility impaired.

Mientras que no hemos incluido un número específico de las unidades accesibles para cada proyecto enumerado, uno puede asumir que los aproximadamente 10% de las unidades en muchos de los proyectos asistidos HUD están diseñados para las personas que pueden calificar como personas con la movilidad deteriorada. Además, 100% de unidades asistidos o aseguradas por HUD desarrolladas después de Marzo de 1991, deben ser adaptable a las necesida de despersonas con la movilidad deteriorada.

Statewide - Connecticut Network For Legal Aid Launches Self-Help Website: Connecticut's legal aid programs are pleased to announce the launch of the Connecticut Network for Legal Aid Web site (www.ctnla.org and www.ayudalegalct.org). CTNLA.org was developed to help Connecticut's low-income residents find help for their legal problems. Visitors will find easy-to-read information on a variety of issues such as evictions and foreclosures, housing and employment discrimination, domestic violence and family law. Much of the site's content is also offered in Spanish, and users will find links to legal and civil rights information in five additional languages. The site explains how to apply for legal aid and also connects self-represented parties with relevant court forms, government agency sites, and community organizations that may be able to help them.

¿Que es la Red de Ayuda Legal de Connecticut? Las Organizaciones de Ayuda Legal en Connecticut trabajaron juntos y crearon este sitio web para ayudar a las personas con bajos ingresos a encontrar ayuda para sus problemas legales. Este sitio tratará de contestar sus preguntas y darle información y las herramientas para ayudarle a representarse usted mismo. Los enlaces de abajo son parte de nuestra red. Obtenga ayuda: Personas con bajos ingresos pueden calificar para asistencia legal gratuita. Visite la pagina Web (<http://www.ctnla.org/es/obtenga-ayuda>) para información legal gratuita.

Common Questions From First-Time Homebuyers

1. Why should I buy, instead of rent?

Answer: You'll love the feeling of having something that's all yours - a home where your own personal style will tell the world who you are. A thriving vegetable garden in the backyard, a tiled entryway, a yellow kitchen...when you own, you can do it all your way! But there's more to owning a home than personal satisfaction. You can deduct the cost of your mortgage loan interest from your federal income taxes, and usually from your state taxes, too. And interest will compose nearly all of your monthly payment, for over half the number of years you'll be paying your mortgage. This adds up to hefty savings at the end of each year. And you're also allowed to deduct the property taxes you pay as a homeowner. If you rent, you write your monthly check and it's gone forever. Another financial plus in owning a home is the possibility its value will go up through the years. This is an individual decision to be carefully assessed. For assistance contact a local HUD Housing Counseling agency at 1-800-569-4287.

2. I've heard of HUD homes. What are HUD homes, and are they a good deal?

Answer: HUD homes can be a very good deal. When someone with a HUD insured mortgage can't meet the payments, the lender forecloses on the home; HUD pays the lender what is owed; and HUD takes ownership of the home. Then we sell it at market value as quickly as possible. Read all about buying a HUD home and check our listings of HUD homes at our web site <http://www.hud.gov>.

3. I've had bad credit, and I don't have much for a down-payment. Can I become a homebuyer?

Answer: You may be a good candidate for one of the federal mortgage programs that are available. A good place for you to start is by contacting one of the HUD-funded housing counseling agencies (1-800-569-4287). They can help you sort through your options. In addition, contact your local government to see if there are any local home buying programs that might work for you. Look in the blue pages of your phone directory for your local office of housing and community development or, if you can't find it, contact your mayor's office.

4. I'm a single parent. How would I go about buying a home?

Answer: Although you won't have the benefit of two incomes on which to qualify for a loan, there's no reason that you can't become a homeowner. Become familiar with the process, pick a good real estate broker, and think about getting pre-qualified for a loan. You might want to contact one of the HUD-funded housing counseling agencies in your area to talk through your options. And you also might want to think about buying a HUD home - they can be very good deals. Also, contact your local government to see if there are any local home buying programs that could help you. Look in the blue pages of your phone directory for your local office of housing and community development or, if you can't find it, contact your mayor's office.

5. Should I use a real estate broker? How do I find one?

Answer: Using a real estate broker is a very good idea. All the details involved in home buying, particularly the financial ones, can be mind-boggling. A good real estate professional can guide you through the entire process and make the experience much easier. A real estate broker will be well-acquainted with all the important things you'll want to know about a neighborhood you may be considering...the quality of schools, the number of children in the area, the safety of the neighborhood, traffic volume, and more. He or she will help you figure the price range you can afford and search the classified ads and multiple listing services for homes you'll want to see. With immediate access to homes as soon as they're put on the market, the broker can save you hours of wasted driving-around time. When it's time to make an offer on a home, the broker can point out ways to structure your deal to save you money. He or she will explain the advantages and disadvantages of different types of mortgages, guide you through the paperwork, and be there to hold your hand and answer last-minute questions when you sign the final papers at closing. And you

don't have to pay the broker anything! The payment comes from the home seller - not from the buyer.

By the way, if you want to buy a HUD home, you will be required to use a real estate broker to submit your bid. To find a broker who sells HUD homes, check your local yellow pages or the classified section of your local newspaper.

6. How much money will I have to come up with to buy a home?

Answer: Well, that depends on a number of factors, including the cost of the house and the type of mortgage you get. In general, you need to come up with enough money to cover three costs: ***earnest money*** - the deposit you make on the home when you submit your offer, to prove to the seller that you are serious about wanting to buy the house; the ***down payment***, a percentage of the cost of the home that you must pay when you go to settlement; and ***closing costs***, the costs associated with processing the paperwork to buy a house.

7. When you make an offer on a home, your real estate broker will put your earnest money into an escrow account. If the offer is accepted, your earnest money will be applied to the down payment or closing costs. If your offer is not accepted, your money will be returned to you. The amount of your earnest money varies. If you buy a HUD home, for example, your deposit generally will range from \$500 - \$1,000.
8. The more money you can put into your down payment, the lower your mortgage payments will be. Some types of loans require 10-20% of the purchase price. That's why many first-time homebuyers turn to HUD's FHA for help. FHA loans require only 3.5% down - and sometimes less.
9. Closing costs - which you will pay at settlement - average 3-4% of the price of your home. These costs cover various fees your lender charges and other processing expenses. When you apply for your loan, your lender will give you an estimate of the closing costs, so you won't be caught by surprise. If you buy a HUD home, HUD may pay many of your closing costs.
10. gobierno local para ver si existen programas locales de compra de vivienda que puedan ayudarlo. Busque en las páginas azules del directorio telefónico para obtener el número de la oficina local de vivienda y desarrollo comunitario o, si no puede encontrarlo, póngase en contacto con la oficina del alcalde.

11. How do I know if I can get a loan?

Answer: Use our simple mortgage calculators to see how much mortgage you could pay - that's a good start. If the amount you can afford is significantly less than the cost of homes that interest you, then you might want to wait awhile longer. But before you give up, why don't you contact a real estate broker or a HUD-funded housing counseling agency? They will help you evaluate your loan potential. A broker will know what kinds of mortgages the lenders are offering and can help you choose a lender with a program that might be right for you. Another good idea is to get pre-qualified for a loan. That means you go to a lender and apply for a mortgage before you actually start looking for a home. Then you'll know exactly how much you can afford to spend, and it will speed the process once you do find the home of your dreams.

12. How do I find a lender?

Answer: You can finance a home with a loan from a bank, a savings and loan, a credit union, a private mortgage company, or various state government lenders. Shopping for a loan is like shopping for any other large purchase. You can save money if you take some time to look around for the best prices. Different lenders can offer quite different interest rates and loan fees; and as you know, a lower interest rate can make a big difference in how much home you can afford. Talk with several lenders before you decide. Most lenders need 3-6 weeks for the whole loan approval process. Your

real estate broker will be familiar with lenders in the area and what they're offering. Or you can look in your local newspaper's real estate section where most papers list interest rates being offered by local lenders. You can find FHA-approved lenders on the Lender List page at <http://www.hud.gov/l1/codes/lslcrit.cfm>. This page allows you to lookup lenders using various selection criteria. HUD does not make loans directly - you must use a HUD-approved lender if you're interested in an FHA loan.

13. In addition to the mortgage payment, what other costs do I need to consider?

Answer: Well, of course you'll have your monthly utilities. If your utilities have been covered in your rent, this may be new for you. Your real estate broker will be able to help you get information from the seller on how much utilities normally cost. In addition, you might have homeowner association or condo association dues. You'll definitely have property taxes, and you also may have city or county taxes. Taxes normally are rolled into your mortgage payment. Again, your broker will be able to help you anticipate these costs.

14. So what will my mortgage cover?

Answer: Most loans have 4 parts: principal (the repayment of the amount you actually borrowed); interest (payment to the lender for the money you've borrowed); homeowners insurance (a monthly amount to insure the property against loss from fire, smoke, theft, and other hazards required by most lenders); and property taxes (the annual city/county taxes assessed on your property, divided by the number of mortgage payments you make in a year). Most loans are for 30 years, although 10-40 year loans are available, too. During the life of the loan, you'll pay far more in interest than you will in principal - sometimes two or three times more! Because of the way loans are structured, in the first

15. What do I need to take with me when I apply for a mortgage?

Answer: Good question! If you have everything with you when you visit your lender, you'll save a good deal of time. You should have: 1) social security numbers for both you and your spouse, if both of you are applying for the loan; 2) copies of your checking and savings account statements for the past 6 months; 3) evidence of any other assets like bonds or stocks; 4) a recent paycheck stub detailing your earnings; 5) a list of all credit card accounts and the approximate monthly amounts owed on each; 6) a list of account numbers and balances due on outstanding loans, such as car loans; 7) copies of your last 2 years' income tax statements; and 8) the name and address of someone who can verify your employment. Depending on your lender, you may be asked for other information.

16. I know there are lots of types of mortgages - how do I know which one is best for me?

Answer: You're right - there are many types of mortgages, and the more you know about them before you start, the better. Most people use a fixed-rate mortgage. In a fixed rate mortgage, your interest rate stays the same for the term of the mortgage, which normally is 30 years. The advantage of a fixed-rate mortgage is that you always know exactly how much your mortgage payment will be, and you can plan for it. Another kind of mortgage is an Adjustable Rate Mortgage (ARM). With this kind of mortgage, your interest rate and monthly payments usually start lower than a fixed rate mortgage. But your rate and payment can change either up or down, as often as once or twice a year. The adjustment is tied to a financial index, such as the U.S. Treasury Securities index. The advantage of an ARM is that you may be able to afford a more expensive home because your initial interest rate will be lower. There are several government mortgage programs, including the Veteran's Administration's programs and the Department of Agriculture's programs. Most people have heard of FHA mortgages. FHA doesn't actually make loans. Instead, it insures loans so that if buyers default for some reason, the lenders will get their money. This encourages lenders to give mortgages to people who might not otherwise qualify for a loan. Talk to your real estate broker about the various kinds of loans, before you begin shopping for a mortgage.

17. When I find the home I want, how much should I offer?

Answer: Again, your real estate broker can help you here. But there are several things you should consider: 1) Is the asking price in line with prices of similar homes in the area? 2) Is the home in good condition or will you have to spend a substantial amount of money making it the way you want it? You probably want to get a professional home inspection before you make your offer. Your real estate broker can help you arrange one. 3) How long has the home been on the market? If it's been for sale for awhile, the seller may be more eager to accept a lower offer. 4) How much mortgage will be required? Make sure you really can afford whatever offer you make. 5) How much do you really want the home? The closer you are to the asking price, the more likely your offer will be accepted. In some cases, you may even want to offer more than the asking price, if you know you are competing with others for the house.

18. What if my offer is rejected?

Answer: They often are! But don't let that stop you. Now you begin negotiating. Your broker will help you. You may have to offer more money, but you may ask the seller to cover some or all of your closing costs or to make repairs that wouldn't normally be expected. Often, negotiations on a price go back and forth several times before a deal is made. Just remember - don't get so caught up in negotiations that you lose sight of what you really want and can afford!

19. So what will happen at closing?

Answer: Basically, you'll sit at a table with your broker, the broker for the seller, probably the seller, and a closing attorney. The closing attorney will have a stack of papers for you and the seller to sign. While he or she will give you a basic explanation of each paper, you may want to take the time to read each one and/or consult with your agent to make sure you know exactly what you're signing. After all, this is a large amount of money you're committing to pay for a lot of years! Before you go to closing, your lender is required to give you a booklet explaining the closing costs, a "good faith estimate" of how much cash you'll have to supply at closing, and a list of documents you'll need at closing. If you don't get those items, be sure to call your lender BEFORE you go to closing. Be sure to read our booklet on settlement costs. It will help you understand your rights in the process. Don't hesitate to ask questions.

Preguntas Frecuentes De Compradores De Vivienda Por Primera Vez

1. ¿Por qué debo comprar en lugar de alquilar?

Respuesta: Le encantará sentir que tiene algo suyo, una casa donde su estilo personal le dirá a todo el mundo quién es usted. Una huerta floreciente en el patio trasero, una entrada embaldosada, una cocina amarilla... cuando usted es propietario, puede hacer todo a su manera. Pero ser propietario va más allá de la satisfacción personal. Puede deducir el costo de los intereses del préstamo hipotecario de los impuestos federales sobre la renta y normalmente también lo podrá hacer con los impuestos estatales. Los intereses constituirán casi la totalidad del importe del pago mensual, durante más de la mitad de los años de la hipoteca. Esto suma jugosos ahorros al final de cada año. Y también se le permite deducir los impuestos de la propiedad que paga como propietario de la vivienda. Si alquila, extiende un cheque mensual y el dinero se fue para siempre. Otra ventaja financiera de ser propietario de una vivienda es la posibilidad de que el valor suba con el paso de los años. Esto es una decisión individual que se determinará cuidadosamente. Entre en contacto con su Vivienda Aprobada del HUD local que aconseja 1-800-569-4287.

2. He sentido hablar de las viviendas de HUD. ¿Qué son la viviendas de HUD? y ¿son un buen negocio?

Respuesta: Las viviendas de HUD pueden ser un muy buen negocio. Cuando una persona que tiene una hipoteca asegurada por HUD no puede cumplir con los pagos, el prestamista realiza la ejecución hipotecaria; HUD paga la deuda al prestamista y HUD toma la propiedad de la vivienda. Luego, la vendemos al valor de mercado, lo más rápido posible. Lea todo acerca de cómo comprar una vivienda de HUD en nuestro pagina del web <http://www.hud.gov>.

3. He tenido un historial crediticio malo y no tengo mucho para un pago inicial. ¿Puedo ser un comprador de vivienda?

Respuesta: Usted puede ser un buen candidato para uno de los programas federales de hipotecas disponibles. Un buen modo de empezar es poniéndose en contacto con una de las agencias de asesoría de vivienda financiadas por HUD (1-800-569-4287). Dichas agencias pueden ayudarle a clarificar sus opciones. Además, póngase en contacto con el gobierno local para ver si existe algún programa de propiedad de vivienda local que pueda resultarle útil. Busque en las páginas azules del directorio telefónico para obtener el número de la oficina local de vivienda y desarrollo comunitario o, si no puede encontrarlo, póngase en contacto con la oficina del alcalde.

4. Soy madre soltera. ¿Cómo puedo hacer para comprar una vivienda?

Respuesta: A pesar de que no tendrá la ventaja de contar con dos ingresos para calificar para un préstamo, no existe una razón por la que no pueda convertirse en propietaria de una vivienda. Familiarícese con el proceso, escoja un buen agente de bienes raíces y piense en obtener una precalificación para un préstamo. Es posible que desee ponerse en contacto con una de las agencias de asesoría de vivienda financiadas por HUD de su área para conversar acerca de sus opciones. 5. ¿Debo hacer uso de un agente de bienes raíces? ¿Cómo busco uno?

Respuesta: Hacer uso de los servicios de una agente de bienes raíces es una muy buena idea. Todos los detalles involucrados en la compra de una casa, especialmente los financieros, pueden no entrarle en su cabeza. Un buen profesional de bienes raíces puede guiarlo por todo el proceso y facilitarle mucho la experiencia. Un agente de bienes raíces estará bien familiarizado con todos los temas importantes que usted desee saber sobre un vecindario que esté considerando... la calidad de las escuelas, la cantidad de niños en el área, la seguridad del vecindario, el volumen de tránsito y más. Él o ella lo ayudarán a calcular el rango de precios asequible y a buscar en los avisos clasificados y diversos servicios de listados de casas que deseará ver. Como el agente tiene acceso inmediato a las viviendas tan pronto como ingresan al mercado, podrá hacerle ahorrar horas que hubiera perdido dando vueltas. Cuando es el momento de hacer una oferta sobre una casa, el agente puede señalar diversos modos para estructurar el negocio y ahorrar su dinero. Él o ella le explicarán las ventajas y las desventajas de los distintos tipos de hipotecas, lo guiarán por el proceso de presentación de documentos y estarán ahí para apoyarlo y responder las preguntas de último momento cuando firme los papeles de cierre de la operación. ¡Y no tendrá que pagar nada al agente! El pago proviene del vendedor de la vivienda, no del comprador.

A propósito, si desea comprar una vivienda de HUD, se le solicitará que utilice los servicios de un agente de bienes raíces para presentar su oferta. Para encontrar un agente de bienes raíces que venda viviendas de HUD, consulte las páginas amarillas de su localidad o la sección de avisos clasificados de su periódico local.

6. ¿Cuánto dinero debo conseguir para comprar una vivienda?

Respuesta: Bueno, eso depende de una cantidad de factores, incluyendo el costo de la casa y el tipo de hipoteca que obtiene. En general, será necesario conseguir el dinero suficiente para cubrir tres costos: la **seña**: el depósito que realiza para la casa cuando presenta la oferta, para probar al vendedor su compromiso de compra de la casa; el **pago inicial**: un porcentaje del costo de la vivienda que debe pagar cuando llega al acuerdo y los **costos de cierre**: los costos asociados al procesamiento de documentos necesarios para comprar una vivienda.

Cuando realiza una oferta por una casa, el agente de bienes raíces pondrá la seña en una cuenta de depósito de garantía. Si la oferta es aceptada, la seña será aplicada al pago inicial o a los costos de cierre. Si su oferta no es aceptada, se le devolverá el dinero. El importe de la seña varía. Si compra una vivienda de HUD, por ejemplo, el depósito generalmente será de \$500 a \$1,000.

Cuanto más dinero ponga en el pago inicial, menor serán los pagos de la hipoteca. Algunos tipos de préstamos requieren del 10 al 20% del precio de compra. Es por eso que muchos de los que compran una vivienda por primera vez se dirigen a la FHA de HUD para obtener ayuda. Los **préstamos de la FHA** exigen un pago inicial del 3.5% y a veces menos.

Los costos de cierre, que pagará en el acuerdo, promedian del 3 al 4% del precio de la vivienda. Estos costos cubren las diversas comisiones cobradas por el prestamista y otros gastos de procesamiento. Cuando solicita un préstamo, el prestamista le dará un cálculo de los costos de cierre, de modo que no lo tomen por sorpresa. Si compra una vivienda de HUD, es posible que HUD pague una gran parte de los costos de cierre.

7. Cómo sé puedo obtener un crédito?

Respuesta: Utilice nuestros simples **calculadores de hipoteca** para ver el monto de hipoteca que puede pagar. Eso es un buen comienzo. Si el importe que puede pagar es significativamente menor que el costo de las viviendas que le interesan, posiblemente desee esperar un poco más. Pero antes de darse por

vencido, ¿por qué no se pone en contacto con un agente de bienes raíces o una agencia de asesoría de vivienda financiada por HUD? Lo ayudarán a evaluar el potencial de su préstamo. Un agente sabrá los tipos de hipotecas que ofrecen los prestamistas y lo podrá ayudar a elegir un prestamista con un programa adecuado para usted. Otra buena idea es precalificar para un préstamo. Eso significa que usted irá a un prestamista y solicitará una hipoteca antes de realmente empezar a buscar una casa. Entonces sabrá exactamente el monto que podrá pagar y acelerará el proceso una vez que haya encontrado la casa de sus sueños.

8. ¿Cómo busco un prestamista?

Respuesta: Puede financiar una vivienda con un préstamo otorgado por un banco, una cooperativa de ahorro y crédito para la construcción, una cooperativa de crédito, una empresa hipotecaria privada o diversos prestamistas del gobierno estatal. Buscar un préstamo es similar a hacer cualquier otra compra importante: puede ahorrar dinero si se toma un tiempo para buscar los mejores precios. Distintos prestamistas pueden ofrecer distintas tasas de interés y comisiones de préstamos. Y, como usted sabe, una tasa de interés más baja puede influir de gran manera en el monto que podrá pagar por la casa. Hable con varios prestamistas antes de decidir. La mayoría de los prestamistas necesitan de 3 a 6 semanas para la totalidad del proceso de aprobación. El agente de bienes raíces conocerá a los prestamistas de la zona y lo que ofrecen. O puede mirar en el periódico local en la sección de bienes raíces. La mayoría de los periódicos muestran las tasas de interés que ofrecen los prestamistas locales. Puede encontrar prestamistas aprobados por la FHA (<http://www.hud.gov/ll/code/llslcrit.cfm>) en las Páginas Amarillas del directorio telefónico. HUD no hace préstamos directos, deberá hacer uso de los servicios de un prestamista aprobado por HUD si está interesado en un préstamo de la FHA.

9. Además del pago de la hipoteca, ¿qué otros costos necesito tener en cuenta?

Respuesta: Bueno, por supuesto que tendrá los gastos mensuales por servicios. Si la renta abarca los servicios, esto puede ser nuevo para usted. El agente de bienes raíces lo podrá ayudar a obtener información del vendedor acerca del costo normal de los servicios. Además, es posible que tenga que pagar cuotas de la asociación de propietarios de vivienda o la asociación de condominios. Indudablemente tendrá que pagar impuestos sobre la propiedad y también posiblemente tenga impuestos municipales o del condado. Los impuestos normalmente se incorporan al pago de la hipoteca. Nuevamente, el agente lo ayudará a prever estos costos.

10. Entonces, ¿qué cubrirá la hipoteca?

Respuesta: La mayoría de los préstamos tienen 4 partes: el capital (pago del importe real pedido); los intereses (pago realizado al prestamista por el dinero que se pidió prestado); el seguro para propietarios (un importe mensual para asegurar la propiedad contra pérdida por incendio, humo, robo y otros peligros, exigido por la mayoría de los prestamistas y los impuestos sobre la propiedad); los impuestos anuales (municipales/del condado impuestos sobre la propiedad, divididos por la cantidad de pagos de la hipoteca que realiza por año). La mayoría de los préstamos son por 30 años, a pesar de que también se dispone de préstamos de 10-40 años. Durante la vida efectiva del préstamo, usted pagará muchos más intereses que capital. Algunas veces dos o tres veces más. Debido al modo en que están estructurados los préstamos, en los primeros años los pagos mensuales serán mayoritariamente intereses. En los últimos años, pagará gran parte del capital.

15. Sé Qué necesito llevar para solicitar una hipoteca?

Respuesta: ¡Buena pregunta! Si lleva todo lo necesario cuando visite al prestamista, ahorrará un montón de tiempo. Deberá tener: 1) los números del seguro social suyo y de su cónyuge, si ambos solicitan el préstamo; 2) copias de los resúmenes de la cuenta corriente y la caja de ahorros de los últimos 6 meses;

3) prueba de otros activos como títulos o bonos; 4) un talón de cheque de sueldo reciente que detalle sus ganancias; 5) una lista de todas las cuentas de tarjetas de crédito y los importes mensuales aproximados adeudados a cada una; 6) una lista de los números de cuenta y los saldos adeudados de préstamos pendientes, tales como préstamos para autos; 7) copias de las declaraciones de impuesto sobre la renta de los dos últimos años; y 8) el nombre y la dirección de alguien que pueda ratificar su empleo. Según el prestamista, posiblemente le soliciten otro tipo de información.

16. que existen muchos tipos de hipotecas, ¿cómo sé cuál es la mejor para mi?

Respuesta: Tiene razón, existen muchos tipos de hipotecas y, cuanto más sepa sobre las mismas antes de comenzar, mejor. La mayoría de las personas utilizan una hipoteca a tasa de interés fija. En una hipoteca a tasa de interés fija, la tasa de interés es la misma durante toda la duración de la hipoteca, que normalmente es de 30 años. La ventaja de una hipoteca a tasa de interés fija es que siempre sabrá con exactitud el importe del pago de la hipoteca y puede planificarlo. Otro tipo de hipoteca es la Hipoteca con tasa de interés ajustable (ARM). Con este tipo de hipoteca, la tasa de interés y los pagos mensuales normalmente comienzan con un importe menor que la hipoteca con tasa de interés fija. Pero la tasa y el pago pueden subir o bajar con una frecuencia de una o dos veces por año. El ajuste está vinculado a un índice financiero, tal como el índice de Valores del Tesoro de Estados Unidos. La ventaja de una ARM es que posiblemente pueda pagar una vivienda de mayor costo ya que la tasa de interés inicial será más baja. Existen varios programas de hipotecas gubernamentales que también pueden interesarle. La mayoría de las personas han oído hablar de las hipotecas de la FHA. En realidad, la FHA no da préstamos. En cambio, asegura préstamos de manera tal que si los compradores dejan de pagar por algún motivo, los prestamistas recibirán su dinero. Esto alienta a los prestamistas a conceder hipotecas a personas que, de otra manera, no hubieran calificado para solicitar un préstamo. Hable con el agente de bienes raíces acerca de los diversos tipos de préstamos, antes de comenzar a buscar una hipoteca.

17. Cuando encuentro la vivienda que quiero, ¿cuánto debo ofrecer?

Respuesta: Nuevamente, el agente de bienes raíces lo podrá ayudar con este tema. Pero existen varios temas que deberá tener en cuenta: 1) El precio de venta, ¿está acorde con los precios de viviendas similares en el área? 2) La vivienda, ¿está en buenas condiciones o tendrá que gastar un suma considerable de dinero para ponerla como usted desea? Es posible que desee obtener una inspección profesional de la vivienda antes de realizar una oferta. Su agente de bienes raíces puede ayudarlo a concertarla. 3) ¿Cuánto tiempo ha estado la casa en el mercado? Si ha estado a la venta durante algún tiempo, es posible que el vendedor esté dispuesto a aceptar una oferta menor. 4) ¿Qué monto de hipoteca se le requerirá? Asegúrese de que realmente podrá pagar la oferta que haga. 5) ¿Cuánto realmente desea la casa? Cuanto más se aproxime al precio de venta, más posibilidades tendrá de que su oferta sea aceptada. En algunos casos, probablemente desee ofrecer más que el precio de venta, si sabe que está compitiendo con otras personas por la casa.

18. Qué pasará si rechazan mi oferta?

Respuesta: ¡Esto sucede a menudo! Pero no deje que esto lo detenga. Es hora de empezar a negociar. El agente lo ayudará. Puede ofrecer más dinero, pero puede solicitarle al vendedor que cubra algunos o todos los gastos de cierre o que realice reparaciones que normalmente no se hacen. Frecuentemente, las negociaciones por un precio avanzan y retroceden varias veces hasta llegar a un acuerdo. Simplemente recuerde: no se encierre tanto en las negociaciones y no pierda de vista lo que realmente puede pagar.

19. Entonces, ¿qué pasará en el cierre?

Respuesta: Básicamente, se sentarán con su agente, el agente del vendedor, posiblemente el vendedor y un abogado de cierre. El abogado de cierre tendrá una pila de papeles para que firmen usted y el vendedor. Aunque le brinde una explicación básica de cada papel, es posible que usted desee tomarse un tiempo para leer cada uno y/o consultarlos con el agente para asegurarse de que sabe exactamente lo que está firmando. Después de todo, es una suma importante de dinero que se está comprometiendo a pagar durante muchos años. Antes de llegar al cierre, se le exige al prestamista que le entregue un folleto con la explicación de los costos de cierre, un "cálculo de buena fe" de la cantidad de efectivo que tendrá que entregar en el cierre y una lista de documentos que necesitará en el momento del cierre. Si no obtiene esos elementos, asegúrese de llamar al prestamista ANTES de ir al cierre. Cerciórese de leer nuestro folleto sobre los costos de acuerdo. Lo ayudará a comprender sus derechos en el proceso. No dude en formular preguntas.
